

## Warm Up (Practice)

1. How much time do you spend revising your work?
    - a. What do you mean by revising?
    - b. I read it over on my way to handing it in.
    - c. I basically re-write my essay again and sometimes revision takes longer than the first draft.
  2. When you revise, what kinds of corrections will you make to improve your work?
    - a. I work at improving the organization of the ideas and my grammar.
    - b. I might fix a few typos or spelling mistakes before I submit it.
    - c. I rarely change anything from my first draft.
  3. Do you ever get help with your writing?
    - a. Nope. I just do my best.
    - b. I might look up some vocabulary or a point about grammar if I'm not sure. I might ask a friend how to do something like cite a source.
    - c. I ask a tutor or a friend to read over my work and make comments and I review the course assignments to make sure I've done everything required.
