

Reverse Outline of Wohlsen's Article (Practice)

Wohlsen, M. (2016). Digital literacy is the key to the future, but we still don't know what it means. *WIRED*. Retrieved 14 April 2016, from <http://www.wired.com/2014/09/digital-literacy-key-future-still-don't-know-means/>

Topic:

State the topic or question the author is interested in.

Main Idea:

State the main message or argument. What does the author say *about* the topic?

Now, list the content and function of each key point in the article. Your answers may not match the sample answers exactly, and that's ok. But make sure you haven't missed any key ideas. You may not have 5 key points. That's ok. Just use the space you need.
